| Student Contribution | | | Total all Loans OFFERED | |
| Total Amount of all Financial Aid/Scholarships and Student/Family \$ (Not including Loans, Work Study or Student Work and Contribution) | | | | B |
| Mentor – when you enter into Caspio it will calculate the gap, but for a rough estimate, you can calculate A-B from numbers above – Tentative Gap | | | | |

Additional Questions:

| | | |
|--|---------------------------------|--|
| How many units did you pass last YEAR with a C or better? | | |
| How many units are you planning to take next year? (full academic year – not just one semester/quarter) | | |
| How many units have you accumulated TOTAL toward graduation? | | |
| How many units does your university require for you to graduate? | | |
| What is your major? | | |
| How many hours per week did you work during the last school year? | | |
| How much money did you earn last year during the school year? | | |
| Where did you work? | | |
| What is your expected year and month of graduation? | | |
| What is your college cumulative GPA? | | |
| Has your banking information changed (where we send your scholarship money)? | | |
| If yes, please enter new routing and account information and list your bank. Mentor , you will need to update this on the “Student Update Info” page, not just the budget. | | |
| If you rent... | | |
| | How many people live with you? | |
| | What is the monthly rent? | |
| | What is your share of the rent? | |

Is there anything else we should know?
